Clinical Experience

Dr Reaney has over 35 years' experience in General Dental Practice and works closely with colleagues who refer complex cases to him for treatment. Such cases may require the provision of removable prostheses, crown and bridgework or the provision of dental implant – retained restorations. He has been involved with the provision of dental implant-retained restorations for over 20 years and has a particular interest in guided implant surgery which he uses routinely in his practice

Teaching Experience

Part-time Clinical Lecturer involved with small group teaching in a tutorial setting and student supervision on clinics in the Department of Restorative Dentistry, School of Dentistry, Belfast, 2000-2005.

Expert Witness Reporting

Experienced Expert Witness with 10+ years' extensive involvement in Consultation, Examination and Report writing on behalf of Legal Agencies and Solicitors throughout England, Scotland, Northern Ireland and the Republic of Ireland. Bond Solon trained in Report Writing and Courtroom Skills and an accredited Member of the Academy of Experts.
